

The PTA aims to enrich the lives of the students within the school by building positive, supportive relationships among parents/guardians in partnership with the principal and school staff.

GOREY EDUCATE TOGETHER

Parent Teacher Association NEWSLETTER

October 2019

The weeks are flying in and summer has become a distant memory - we hope the students are settling in well to school life we look forward to seeing you at the many upcoming events at GETNS this year.

Treasure Hunt

We enjoyed fantastic weather for our outdoor Treasure Hunt held in the school in September. Over 50 students and their families came along and had lots of fun searching for clues and playing games. We raised €308 for our school and students. Thanks to everyone who supported this event!

Climate Action

The PTA are committed to supporting the school and the students in their efforts to take action on climate change. We aim to reduce unnecessary consumption, waste and single use plastics at our events. To successfully achieve this goal, we ask your help by:

- Bringing a drink and refilling with water

- Donating healthy snacks, fruit and baked goods to our tuck shops

Over the course of the year we will plan events that explore ideas around sustainable living, focusing on 're-use' values and alternatives to 'throw-away' items.

Next up.....

The students of the School Council invite you to a School Disco on Friday, October 25th. Optional dress-up theme is 'Halloween and/or Harvest'.

We need Volunteers to supervise at this event - if you can give some time on the evening, please contact your class rep or leave your details with the school office.

We will operate a tuck shop on the night and require donations of baked goods, cookies, buns

etc. Please bring to the school office on the day, we really appreciate all your support!

(children must be attended by a parent or designated adult during this event)

Coming soon

The next PTA meeting will be held on Tuesday, November 5th at 7.30 p.m. in the school. We always welcome new members and fresh ideas. If you would like to get involved and support the school and students, please come along or speak to your parent rep.
