26th June 2020

Dear Parent,

I can confirm that your child is booked onto our 2-week special education summer programme, beginning Monday 29th June.

The required Covid-response policy document for the programme can be viewed on the school website, under “Policies.” This policy will be updated over the weekend, to take account of further guidelines issued by the Department of Education last night.

Practical information:

- Sorry, the Department of Education/Bus Éireann is not providing transport for the programme. Families will need to make their own arrangements. (A small transport grant may become available at a later stage. I will let you know...)
- Usual school times for the children: 8.50am – 1.30pm (infants) and 2.30pm (1st – 6th classes.) Three classes, each of six children, with 1 teacher and 2 SNAs per classroom are ready to go.
- Please wait outside the school building on Monday morning, and I will show you the arrival/pick-up procedure. (Sorry, given the new regulations, we ask that family members do not enter the school building for the moment. Staff will escort the children to/from the school door to their classrooms.)

The children can look forward to plenty of fun and friendship for the two weeks ahead!

Kind regards,
