'Class Dojo' and Homework: All parents are requested to become familiar with the Class Dojo home-school communication App. (Registration link available from your child's teacher.) All classes are now beginning to blend a homework task or two into this App, so that everyone can get used to sharing some school work in this way in case another school closure (or class closure) might arise.

Bangs to the head: please stay alert to the *potential* seriousness of all Head Injuries. Remember to monitor the child after a bump or fall at school.

Enrolment for September 2021:

School enrolment for September 2021 will become available in January 2021. Details to follow....

After-School Activities:

The earliest that we might begin to offer after-school activities again is April 2021.
