**Mid-Term Break:** Classes finish at the usual times (1.30pm and 2.30pm) this Friday 27th October. School reopens Monday 6th November.

## Class Charters

At the beginning of every school year the class teachers guide the children through the formation of Class Charters. This process enables the children to learn that they — and the children and adults around them — have rights and responsibilities. The teachers actively encourage each child in the class to contribute to their Class Charter. The language used in class charters is age appropriate. Each charter states in positive terms the behaviour that is expected in the classrooms, the playground and the school environment. Below are some examples of this year's charters. (All Class Charters can be viewed on the school website.)

## Intel Mini-Scientists Science Fair at our school on Thursday 9th November.

Parents of the participating children in 5<sup>th</sup> and 6<sup>th</sup> classes are very welcome to visit the fair between 11am and 12noon.
