

# GOREY EDUCATE TOGETHER N.S. 2005 - 2025

We are delighted to be marking 20 years of Gorey Educate Together National School in 2025!

To celebrate this milestone, we are organising two special events here in our school.

The first is an event for parents, staff and the wider community. This is an evening event, to be held on Tuesday May 27th at 6:30pm. We will have a display of photos, pupil artwork and other school activities in the hall, some speeches by members of our school community, and we will unveil our beautiful new murals to commemorate 20 years of GETNS. Light refreshments will be provided. Invitations will be sent home to families this week. Please send the RSVP back to your child's class teacher by the end of the week. Please note that this event is for adults only.

On Wednesday, May 28th, we will have a special celebration day here at school for all the pupils. There will be a special whole school assembly, pupils will have a chance to visit the 20th anniversary expo in the hall, and this will be followed by an afternoon of treats and games for all classes!

## Call out to parents and families!

As part of our Expo, we are organising a display celebrating the cultural diversity of our school. We would love to have some food samples from all the different countries that form our school community.

Also, there will be a short musical performance on the evening from some of our talented staff, but we would also be delighted to welcome any parents who are musically talented to close our event with a short 5-minute performance.

If any parents or family members would like to contribute some home-made nibbles or treats that represent your culture, or are interested in participating in a musical performance, please get in touch with the organising committee at the following email address: [20years@goreyeducatetogether.ie](mailto:20years@goreyeducatetogether.ie)

# BUDGETING

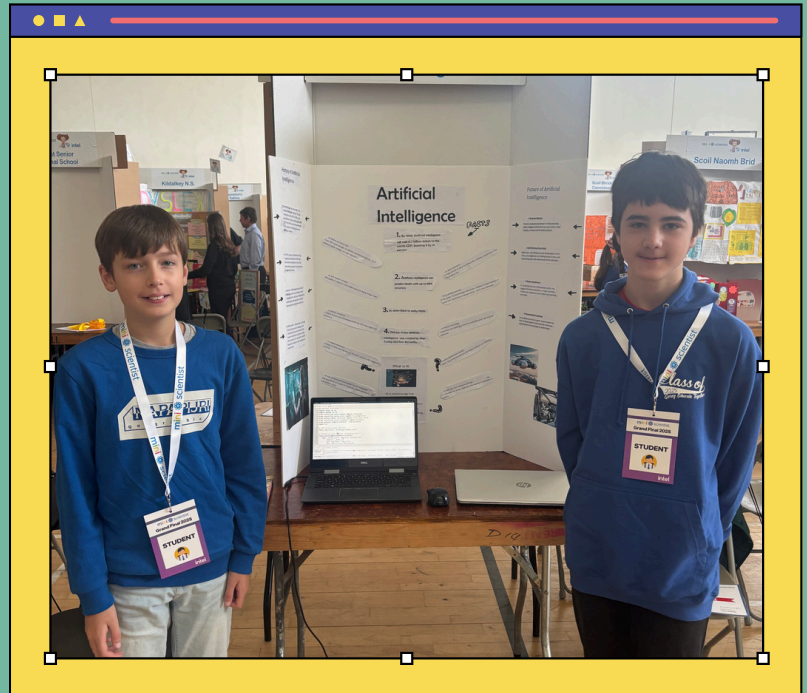

Families are kindly asked to budget for the return of photocopying, art materials and stationery costs this year.

The charge will be €40 per pupil, payable online anytime between June 4th and September 4th.

Any surplus funds that the school had following the pandemic are now depleted. Most other local schools also charge for photocopying, art and stationery.

The children's school books will continue to be provided free of charge (owing to a grant from the Department of Education.)
