Our School Clothes Swap: Good for Kids, Good for Our Planet!

Part of our Green Schools team's work involves sustainability (responsible consumption and production), so we are hosting a very special event: a School Clothes Swap! This is a wonderful opportunity for our whole school family to share clothes that are still in great shape and ready for new adventures.

How It Works: A Team Effort!

Over the upcoming holidays, when you might be cleaning out wardrobes or discovering clothes that are now too small, keep our swap in mind. We are asking every family to help us by finding approximately five pieces of clothing in very good to excellent condition to share with others.

The swap will take place in school around the end of February (the exact date is To Be Confirmed!).

Hold onto your wonderful clothes donations for now! We will send another update after the holidays to let you know exactly when we are ready to receive them.

Thank you for helping our school stay green and our community strong!

from Your Green Schools Committee.

Kids Can Help:

- Be a "Clothes Detective": Help find clothes that don't fit you anymore but still look amazing!
- The Golden Rule of Swapping: We are looking for clean clothes without rips or big stains!
