No hot lunch will be provided on Friday 27th March. The children will get a cold treat and a drink instead.

Our School Clothes Swap Shop: Good for Kids, Good for Our Planet

Part of our Green Schools team's work involves sustainability (responsible consumption and production), so we are hosting a very special event: a School Clothes Swap! This is a wonderful opportunity for our whole school to share clothes that are still in great shape and ready for new adventures.

How It Works: A Team Effort!

We are asking every family to help us by finding approximately five pieces of clothing in very good to excellent condition to share with others. Items can include clean clothing, coats, sports gear (helmets/ football boots).

The swap will take place in school on 24th April 2026.

Hold onto your wonderful clothes donations for now! We will be ready to receive them the week of 13th - 17th April. Please note that any unsuitable clothes will not be accepted. Thank you for helping our school stay green!

Your Green Schools Committee.

Kids Can Help:

- Be a "Clothes Detective": Help find clothes that don't fit you anymore but still look amazing!
- The Golden Rule of Swapping: We are looking for clean, very good quality clothes without rips or stains!
