JULY PROGRAMME

This year, our optional summer programme (“July Programme”) for children with additional needs will run from Wednesday 1st July - Tuesday 14th July, (10 school days.) Application forms were distributed to all the families who took part in our 2025 summer programme yesterday. New families can collect a form from the school office.

IN BRIEF

A top of the range **trampoline** was donated to our special classes by the **Irish Society for Autism**. Very gratefully received! The children can only use this equipment under the supervision of a teacher or SNA.

1.30pm-2.30pm: Unfortunately, we do not have a spare room or spare playground that waiting families could use. Please use the area by the blue planters and the pedestrian gate. Sorry, the small playground beside the secretary’s office is not available.

Buddy Walk, Thursday 30th April, as part of Active School Week. Suggested donation €2 per child, towards more dyslexia friendly books for our school. Please let your child’s teacher know if you do not want them to take part.

Follow the SunSmart 5's to reduce the risk of skin cancer:

- Slip on clothing that covers your skin,
- Slop on sunscreen, (factor 50+ for children)
- Slap on a hat
- Seek shade
- Slide on sunglasses

Last call for donations of clean clothing for our upcoming Clothes Swap Shop this Friday.

On Friday, children will receive tokens to swap/ exchange for clothing. Important: the number of tokens each child receives will depend on the amount of clothes that we have available for swapping on Friday. Any leftover clothes will be redistributed according to age amongst classes and any remaining leftovers to a charity shop.

Please note that 'Lost and Found' items will be included in the Swap Shop so if your child is missing an item and they want it back, check here before Wednesday.

Many thanks for the fantastic amount of donations we have already received and for being sustainable!
